## **Description**

Gaming can give you the space to be yourself and explore different personalities in a safe environment. Video games are fun because they transport you to new realities and satisfy your needs for achievement.

In this project we have built an e-store that is specialized in PlayStation video games, we aim that our website will be a source of entertainment for our users.

## Admin interface

- **Admin Login**

The Admin Login form is centered on a light gray background. It features a title "ADMIN LOGIN" in bold. Below the title are two input fields: "username" and "password". A blue "Login" button is positioned below the password field. At the bottom of the form, there is a message "incorrect user name or password" in a light gray box.

- **Dashboard**

The Dashboard interface is centered on a light gray background. It features a title "DASHBOARD" in bold. Below the title are two main action buttons: "Add New Product" and "View Orders". The "Add New Product" button is accompanied by an icon of a database cylinder with a green plus sign. The "View Orders" button is accompanied by an icon of a delivery truck, a checkmark, and a shopping bag. At the bottom of the dashboard, there is a red "Logout" button.
